by John Huber. The stones had been prepared by Johannes Sonderegger. They were all high priests. At this time there were no other ward organizations of the priesthood. The seventies were organized as a quorum shortly after the Elders were organized in a stake capacity.

During 1885-1886 the first ward organ was purchased at \$125. The meeting house had been completed to such an extent that the first meeting was held May 23, 1886; however, it was not dedicated until 1895. There was still an indebtedness of \$40, and \$50 more was needed for a skylight over the door. The building measured 60 ft. by 30 ft. and 16 ft. to the ceiling. It was built of native rock with a belfry at the south end which contained a big church bell, its beautiful, clear tones ringing out to call the people to worship and tolling on sad occasions for funerals.
